Kinsmen donate $7500 to arena

KINSMEN KEN MacRAE (LEFT) AND BILL HITE WITH HAT CHEQUE
. . . arena fund chairman Marcel De Champagne finds it a perfect fit

The St. Albert and District Arena Fund took a sizable jump this week as St. Albert Kinsmen dropped a cheque for $7,500 into the pot.

"The Kinsmen Club is solidly behind the building of an arena," President Bill Hite said in presenting the cheque to Marcel De Champlain, fund chairman.

"And what better way to celebrate Kinsmen Week than to contribute $7,500 to such a community project."

Mr. Hite said that if the Kinsmen Rodeo was a success, further funds would be available in the fall.

The fund, which has a target of $60,000, has reached $13,250, more than 22 per cent.

The Knights of Columbus two weeks ago donated $5,000 to the fund and donations of $100 have been received from Veness Service Ltd., Sturgeon Sod Farms Ltd., Angus Mac Donald, William Veness and Doug Millroy.

The St. Albert Credit Union donated the $250 proceeds from its annual dance party.

Pennies for Pavlos

Carts piled high with Valentine sweets were taken around to the classrooms at Sir George Simpson Elementary School last Friday, the day of the School's Annual Penny Carnival. $126, almost all of it in pennies, was collected in aid of the school's "adopted child".

The 400-plus students of Sir George Simpson Elementary School staged a Penny Carnival on Valentine's Day, Feb. 14.

Each classroom sponsored a booth or game and students kept busy spending their pennies playing bingo, hop-scotch, penny-in-the-bottle, bowling, fish pond, various guessing games, ring tossing and visiting the "fortune-teller" ("you will see a skeleton tonight.")

The "Bank of Simpson" did a brisk money-changing business and a yummy valentine cake was raffled off.

Carts laden with assorted sweets (donated by the mothers) were wheeled around to each room and there students faced the task of choosing from the goodies, all sold for a penny-a-piece.

School principal Frank Carnahan, said about four years ago the students and staff of SGSES decided to reach out and befriend a boy or girl from another part of the world. They adopted for sponsorship through

Water line breaks so baths are out

Mr. and Mrs. Arcade Ethier are probably wondering this week how they ever managed before they got running water into their home at 26 Mission Ave.

A break in a water line near the corner of Mission and Perron Street has left the Ethiers without water since Feb. 12.

The town has been supplying them with water by the barrel.

"We pretty well lost the habit of that barrel business," Mrs. Ethier said Tuesday. "It's pretty hard to get used to again. We haven't had a bath since the water went off."

The Ethier residence was the only one affected when town crews isolated the break area. It took them a week to locate the exact spot of the break because when the ground is frozen, the water will travel some distance before breaking through the ground.

Marcel De Champlain, superintendent of the town's public works department, said Tuesday that after digging down to the line twice and not finding the break, crews had finally located it.

He said it would be repaired Wednesday and the Ethiers, who have been St. Albert residents for 28 years, should have water running through their taps by the evening.

Town Engineer Jan Maandag said there had been one other break, on Sunnyside Cres., but it had only affected a hydrant.

Rock Holman purchases Grandin Lunch

Rock Holman and his wife Shirley, 49 Spruce Cres., have purchased the Grandin Lunch from Mrs. Lois Brewster, 21 Mill Drive.

They will take over operation Feb. 24 under the new name of the Coffee Corner.

Mr. Holman said the change in name will be about the only change in the operation, which has offered light lunches to patrons of the shopping centre for nearly a year.

The Coffee Corner, on the north side of the shopping centre, will be open from 8:30 a.m. to 6 p.m. Monday through Saturday.

Mr. Holman said the hours may be extended with the coming of warm weather.

Removal of snow proceeding

The budget for snow removal in St. Albert in 1968 was $17,000 and the engineering department kept costs well within that figure.

And, according to Town Engineer Jan Maandag, things are going along pretty well at the same pace so far this year.

Mr. Maandag said Monday that the main problem this year had been sanding, caused by the rainfall shortly after the turn of the year.

"It seemed we would lay down sand and five minutes later it would be bare ice again," he said.

Snow removal crews have been concentrating their efforts on collector streets and main arteries, Mr. Maandag said it had been found that it was better just to allow traffic to pack crescents, as long as the ruts didn't get too deep.

Artists featured

Works by several of St. Albert's better know artists are featured in an exhibition currently on at the St. Albert Centennial Library.

The show includes paintings, prints and drawings by Bill Zuk, L. Keeling, William Rohrlack, Mrs. Marie MacRae, Sylvain Voyer and Les Graff.

The exhibition, sponsored by the St. Albert Arts and Crafts Guild, is open to the public during library hours through until Saturday, March 1.

Letters to the Editor

Swimming Pool

Dear Sir:

Several years ago we voted on a closed-in swimming pool but, thanks to our ex-mayor, it never materialized. Instead we now have a pool which is used at most four months of the year or, roughly, the approximate length of time that our public beaches are open.

A year-round pool could be put to excellent use through an instructional course instituted at the elementary level of our schools. I think that its about time we did something with our 'white elephant.'

Lets make our pool an asset instead of its present liability.

A. E. Gowler.

Live happily ever after

Once upon a time there was a quiet, little town. Born from a Roman Catholic missionary's love for its beautiful, rolling countryside, the little town grew into a bustling settlement.

As the small town grew, the centre to its immediate south also expanded. It became a large, noisy impersonal city. Many of its citizens wanted their families to grow up in a more friendly atmosphere, so they pulled up stakes and established new roots in the small town.

The town's people greeted the new arrivals with mixed emotions. At first there was a noticeable barrier between the old-timers on the hill and the new-comers in their modern bungalows.

But slowly, as the newcomers became involved in community affairs and joined hands with the oldtimers to work together for the betterment of the community, a mutual understanding was born.

Not that the small town did not have its problems. Its people were not always sure of what they wanted and complained loudly when they did not get it.

The small town acquired many amenities. Fine schools, a shoppers park, library, swimming pool and a hospital.

The big giant discovered the small town all over again. It had begun to outgrow itself and was hungry for more land.

No one knows just how it started. At first there were whispers. People began to talk about lower taxes and better protection to life and property and many other things. The whispers became a roar, the small town's people panicked and jumped to conclusions.

When the small town asked its people if they wanted it to be swallowed up by the big giant, many did not answer. Of those who did, 55 per cent said Yes.

Happy 108th Birthday, Saint Albert, it may be your last!

seeks hospital supplies

The St. Albert Women's Institute is attempting to build up the supply of hospital supplies it loans to district residents.

Mrs. Ken Moore, 116 Grosvenor Blvd., said Monday the Institute has been loaning out three wheel chairs, a hospital bed, eight pairs of crutches, bedpans and other items in the hospital line.

But she says the demand is now exceeding the supply.

"If anyone has anything of this nature that they are thinking of getting rid of, we would be glad to take them off their hands," Mrs. Moore said.

Mrs. Moore can be contacted at 599-8143.

Comets

Westlock Eagles will probably be happier in future if St. Albert Comets show up for their games with a full complement of players.

Last Tuesday Comets travelled to Westlock with only eight players yet managed to record a 7 - 0 victory.

A week previous they had played in Westlock with only 11 men and defenceman Gerry Magnan in goal and won 7 - 3.

They had a goalie along for their latest performance, however, and Ray Bussche had all the answers in keeping Eagles off the scoresheet.

Joe Cassidy moved out of his centre spot to team up with Ron Yanosik on defence and the two played the full 60 minutes. Up front all five forwards shared in the scoring with Ray Lamer and Fred Hesse each getting two goals and Vic Roberge, Lou Martineau and Terry Dube each scoring one.

Comets held period leads of 3 - 0 and 6 - 0.

In Morinville on Friday, Comets continued their mastery over the local seniors with an 8 - 3 triumph.

Cassidy and Eddie Cunningham each scored two goals for Comets with single counters being recorded by Rich Perreault, Dave Joyal, Dube and Hesse.

George St. Laurent, Rich Pugliese and R. Chevalier scored for Morinville.

Comets led 4 - 1 after the first period and 5 - 3 after the second.

In the Lion's den

The Lion in the limelight this time is Pat Patterson. He and his wife, Peggy, live at 20 Seymore Cres.

Pat, a salesman with Westeel-Rosco, joined the St. Albert Lions Club in the spring of 1966. Since that time, he has served on the board of directors, and at present is the third vice president.

Pat's pet project is the Air Cadets. Pat has done his share to bring our 533 Squadron along at a commendable pace.

At times, Pat points out, there seems to be a misunderstanding regarding the aim of Cadets. This is not a specific training for the armed forces but rather an institution that builds good citizenship, fellowship, neatness and promptness. It is an interesting training that helps prepare young men from the ages of 13 to 19 for any walk in life.

An extensive program is available. For example, basic training in airmanship, navigation, power flight, leaders courses, bush familiarization, water safety, gymnastics, and exchange trips to Europe. Bill Hart of St. Albert went to Europe under the exchange program.

The Lions Club of St. Albert is the sponsoring body of 533 Squadron which includes the cadet band. As such, they provide the quarters for activities, transportation, instruments for the band, the indoor rifle range and all other equipment not supplied by the Canadian Armed Forces.

Gerry Ward and John Cooley are at present building an ultra-light aircraft which will also be used by the cadets.

Marcel Bergevin, a very energetic and dedicated man is the commanding officer of the squadron and is also a Lion. The training officer and band instructor is Lt. Russ Waite. John Fildes a civilian, instructs drill while the supply officer is Ole Kendel. The administration details are looked after by Lt. Gordon Martin.

Pat Patterson has been the sponsoring committee chairman for some time, a position he still holds in addition to being a member of the provincial committee of the Air Cadet League of Canada.

The St. Albert Lions Club is very happy with the fine progress Pat has made with the Cadets. The Club wishes to thank everyone that has assisted us in any way, because without your assistance and co-operation, this project could not have been this successful.

The TOMBOLA is coming up again in April. Those people who participated in this great fun event last year will want to come again. Watch for the dates!

St. Albert Kinsmen lose in curling

Two St. Albert rinks have lost out in their bid for a shot at a Kinsmen curling championship.

Rinks skipped by Erling Winquist and Bob McMaster travelled to Barrhead to compete against rinks from Barrhead, Edmonton, Fort McMurray, Athabasca and Westlock for the Zone 2 title.

McMaster, who had Rusty Pollard at third, Bill Hite at second and Bill Bishop at lead, won two games before bowing out of the double-knockout competition.

Winquist, who had Dwayne Bishop at third, Rod Erickson at second and Len Huebert at lead, went out in straight games.

A rink from Barrhead won the competition and now advances to the Alberta final at Leduc March 15 and 16. The winner there will meet the winners from B. C. and Saskatchewan at the Hillcrest Curling Club in Edmonton on March 29.

How to treat burns

Burns hurt, and sometimes they're serious. What do you do about a burn? Most people slap on some greasy substance such as butter or vaseline.

This is wrong, says St. John Ambulance.

Where the skin has not been broken, immersion in cold water or the application of a cold wet cloth will relieve the pain.

Where the skin has been broken, infection is a hazard. Don't apply greasy substances. These remedies have only slight value in reducing pain and greatly complicate later treatment.

For a serious burn, St. John Ambulance advises clothing be removed or cut away over the bruised area. Don't try to pull off clothing which is stuck. Cover the burned area with a clean dressing and bandage securely. If medical aid is near, speed is more essential than perfect bandaging.

In the case of burns by corrosive chemicals, flood the part thoroughly with water and apply normal treatment for burns.

The agenda includes election of a local executive. The public is invited to attend.

Lutherans begin Lenten services

The St. Albert Evangelical Lutheran Church today, Ash Wednesday, began a concentrated week of Bible presentations to mark the coming of Lent.

Evangelist Philip G. Hanson will open services tonight at 8, speaking on the theme: "Seeing and Listening to Jesus."

Mr. Hanson will speak at the St. Albert Lutheran Church, 11 Glenview Cres., each evening at 8 until Saturday, Feb. 22, and also at 11 a.m. and 7:30 p.m. on Sunday.

Mr. Hanson for the past three years has been a teacher at the Camrose Lutheran Bible Institute. He graduated from the Lutheran Bible Institute in Minneapolis, Minn., in 1933 and then taught Week Day Church School for five years at Echo and Clarkfield, Minn.

For several years he travelled as Evangelist in the former Evangelical Lutheran Church and the Lutheran Evangelistic Movement.

From 1950 to 1958, he taught at Bible Institute at Minneapolis and later served as lay assistant at Calvary Lutheran Church in Golden Valley, Minn., St. Paul's Lutheran Church in Minneapolis, and Trinity Lutheran Church in Calgary.

Rev. P. G. Hanson

Pastor R. O. Olson has set up special services for each Sunday following the Bible Emphasis Week right up to a post Easter service April 13.

Mr. Chris Mustaklim, 45 Stanley Drive, has been elected to the Board of Directors of the Canadian-Arab Friendship Association of Edmonton.

Kinsmen Week

FOUNDER
HAL ROGERS

49th NATIONAL PRESIDENT
HARRY MOLL

The Kinsmen organization was started 49 years ago in Hamilton by Hal Rogers and has had phenomenal success ever since. Today there are over 13,000 members in 426 clubs across Canada.

The St. Albert Kinsmen Club was chartered on May 4, 1964, with 33 members. In order to carry out any service work within the town they first had to raise some money. The first fund-raising project was a door-to-door sale of mail boxes.

Having had good success in this venture it was decided that a larger fund raising project should be found. So it was that June 1965 saw the Kinsmen up to their knees in good old St. Albert mud as the first rodeo was rained out.

As the years followed and the rain kept falling, the Kinsmen although deeply in debt, never lost the true meaning of Kinsmen. As it turned out there was a brighter side to all of this because the more it rained the better known the Kinsmen and the Town of St. Albert became.

The name "The Rainmakers" had spread from coast to coast. Two fairly successful years have just passed and the Kinsmen are on their way to greater things. The club now has 44 active members who are extremely busy with many service projects and fund raising programs.

A centennial project to equip 10 tot-lots in St. Albert at a cost in excess of $10,000 will be completed as originally planned. A survey has been taken and it has been noted that the people in St. Albert would like to see the Kinsmen continue with this project.

The Kinsmen operate minor hockey, which has an annual participation of about 350 young boys.

A Kinsmen advisory board to provide the teen centre The Sanctum, with support and guidance has been established.

Saturday movies for children under 12 years of age have an annual attendance of about 15,000.

The Kinsmen have also contributed to the national Kinsmen anniversary project in Toronto which is "The National Institute of Retardation" which will be completed in time for the 50th Anniversary of Kinsmen.

This week Kinsmen all across Canada are celebrating their 49th anniversary and the Kinsmen in St. Albert would at this time like to thank all the people of St. Albert and district who have given so generously of their time and money to help support the club's service work.

A small town is a place where everyone knows whose cheque is good and whose husband isn't.

Nagged the wife to the hubby: "You certainly made a fool of yourself at that party! I just hope nobody realized you were sober!"

Card of Thanks

We wish to thank the almost endless number of friends, relatives and neighbours who offered words of sympathy and acts of kindness in our bereavement over the loss of our beloved husband and father. Special thanks to the many people sending floral tributes, donations to the heart fund and to those having masses said for him.

Donnie Wilson wins Silver Gloves title

Don Wilson of St. Albert won a toe-to-toe battle with Dale Anderson of Rocky Mountain House Saturday night to win the 110-pound title in the annual Silver Gloves boxing tournament.

Wilson, who fights out of Gordie Russell's gym in Edmonton, avenged a loss in November in which Anderson took away his provincial junior amateur title.

The St. Albert scrapper, fighting before a spirited home-town crowd of about 200 in the Community League Hall, beat Anderson at his own game this time around.

He stood his ground before Anderson's aggressive tactics and although picking up a bleeding nose early in the opening round, was carrying the fight to the Rocky battler before it was over.

In the second round the two fighters just put their heads together and slugged it out. They both scored repeatedly but as the round wore on the pace began to tell and the snap went out of their punches.

Seemingly getting their second wind, both came out strong in the third, knowing the verdict could well hinge on their showing here, and the leather was popping until the closing bell.

Two judges scored it 60 - 58 Wilson. The other saw it 59 - 59.

Wilson will meet Anderson again this Saturday at Fort McMurray where he will be attempting to get back his title and also his spot on the provincial amateur team.

The Silver Gloves tournament is open to boxers not over 16 who have had no less than six previous bouts.

Four members of the St. Albert Boxing Club reached the finals Saturday, but none could pull out a victory. Jim Kelly came the closest, dropping a split decision to Dennis Belair of the Riverdale Club in the 105-pound division that could have gone either way.

Kelly, a cool, competent boxer, looked as if he had pulled it out with a good third round. But the judges saw otherwise.

Gary Larsen of St. Albert lost his second straight fight to Joey Savard of the South Side Legion Club in the 80-pound division. Larsen boxed well and scored repeatedly with good counter punches but Savard got full marks for his aggressiveness.

Larry Chyzyk of St. Albert lost a split decision in the 85-pound class to Curtis Hodgson of Fort McMurray.

In the 55-pound division, Lonnie Eschuk of St. Albert was outpointed by Lambert Lindstrom of Fort McMurray.

Guy Bouten of Hinton, who defeated Ken Sorenson of Rocky for the 65-pound title, was the winner of the 1969 Silver Boy Award as top boxer in the tournament.

Other matches: 60 pounds, Bruce Anderson of Rocky defeated Randy Bauer; 70 pounds, Wayne Clark of Breton defeated Garry Powder of Fort McMurray; 75 pounds, Bobby Brooks of Fort McMurray defeated Garry Therrien of Hinton; 90 pounds, Cliff Powder of Fort McMurray defeated Eugene Papirny of Hinton; 100 pounds, Bob Heart of Hinton defeated Ray Duperron of Breton.

In preliminary bouts: 70 pounds, Allan Eschuk of St. Albert lost a split decision to Garry Powder of Fort McMurray; 80 pounds, Gary Larsen won unanimous decision over Bobby Therrien of Hinton; 90 pounds, Neil Kelly of St. Albert lost to Eugene Papirny of Hinton; 105 pounds, Jim Kelly won a unanimous decision over Brian Lee of Hinton; 110 pounds, Donnie Wilson defeated Lloyd Cardinal of Oras.

Len Schwartz coach of Comets

Len Schwartz has been appointed coach of St. Albert Comets of the Sturgeon River Senior Hockey League.

Team manager Jake Vaugeois said Monday that Garth Leask, who had taken over the coaching reins last fall, had been forced out of the role because of pressure of business.

In recent weeks Vaugeois had been handling the club himself with the assistance of Buck Flynn.

Schwartz, who had been playing with the club in a utility role, took over the team Sunday and ran it through a stiff practice.

Schwartz played with the Comets about 1960 and returned to them this season. He has had semi-pro experience.

Basketball playoffs

The Northern Conference High School basketball play offs will be held Saturday, Feb. 22 at 10 a.m. in Vital Grandin Gym.

Teams from St. Albert, Paul Kane, Barrhead, Westlock and Athabasca will be competing to determine boys' and girls' teams that will advance to the North Central Alberta finals on March 1.

The schedule: 10 a.m. - Westlock girls vs. St. Albert girls; 12 noon - Barrhead boys vs. Athabasca boys; 1:30 p.m. - Barrhead girls vs Athabasca girls; 3:30 p.m St. Albert boys vs Paul Kane boys; 7:30 p.m. Girls Final; 9:00 p.m. - Boys Final.

In boys games last week Barrhead defeated St. Albert High 31 - 20; Salisbury defeated Westlock 61 - 36; Ardrossan defeated Stony Plain 46 - 36; and St. Albert High defeated Stony Plain 42 - 38.

Games coming

March 8 has been scheduled as the date to hold the 1969 Senior Canadian Indoor Track and Field Championships at Kinsmen Field House.

Bob Fertile, publicity chairman Royal Canadian Legion International Games, says a number of invitational events have been scheduled and some of the top athletes in the world have been invited, including medal winners from the Pan-Am and Olympic Games.

Fire Dept. peewees tie all-stars

It was the Fire Department against the rest of the St. Albert Peewee Hockey Leage at Mission rink Monday night.

And the youthful firemen didn't do too badly.

They came out with a 1-1 tie, Brian Bedell scoring on a break-a-way pass from Sandy Millroy.

Actually, Fire Department held the lead for nearly 10 minutes, breaking a scoreless deadlock midway through the third period.

Matt Lister gave the all-stars a tie, however, scoring with only 40 seconds left in the game.

Fire Department recruited goalie Dave Hunt from the Red Wings for the game against the top players from Lions, Knights of Columbus, Legion and Red Wings. Hunt turned in a sterling performance.

Fire Department played at Ardrossan on Sunday, losing 5 - 3.

This weekend the Fire Department team will travel to Jasper for games Saturday and Sunday.

Harlem Aces will perform in Legal

The touring Negro laughmakers, travelling again this season to entertain the fans with their skill in basketball, will play in Legal on Saturday, Feb. 22.

When some of the names of laughmakers are mentioned, hoop fans get ready for an evening of entertainment. The fans come out to see a fancy exhibition of razzle-dazzle, ball handling intricate routines, both planned and impromptu comedy and all sorts of shenanigans.

The Aces never try to run up a huge score against opponents. It has been their policy to keep the game even, devoting much of the time to comedy stuff and ball handling routines.

There are times naturally when the Aces have to extend themselves, when the home team is exceptionally strong or gets "HOT" the Aces have a ball game on their hands. Then you see some real action as well as comedy.

The Harlem Aces will be in Legal on Saturday at 9 p.m as an added attraction to the all-day basketball tournament which will be held.

Advance tickets are available from Robert Pelletier or Marg Piquette and at most schools in the Sturgeon Division for $1 for adults and 75¢ for children under 14. If you want a fun-filled entertaining evening, come and see these famous comedy kings; and bring the family too, they'll enjoy it!

Thinking Day 1969

by Rose Martel

This week the great international group of young people, introduced to the world by the late Lord Baden-Powell and Lady Baden-Powell, and founder of the Scouts, Cubs, Guides and Brownies, will celebrate Thinking Day sometime between Monday and Sunday Feb. 23. The theme this year is one that all world leaders, community minded people and all citizens without exception can well adopt and make a personal theme of their own "Graciousness can open doors, for which there are no keys."

Each one of us can ask ourselves, what have I done since the first day of 1969 to reach out and communicate with fellow citizens who are not of my faith? Do not support my political party? Who are opposed to some of my views on club or community projects?

What have I contributed voluntarily, without thought of remuneration, social prestige, or political gain to myself, my family, or my group of friends, to my community, my church, the children of our town and district?

If we are honest and sincere, the number of those who can honestly answer Yes are very few in comparison to those of us who qualify to answer only No. This week we salute the men and women of our town and district who give of their free time, of their intelligence, good-will and are out of pocket money by volunteering to guide young boys and girls with their Boy Scout, Cub, Guide and Brownie programs from September to June. These Scout masters, Cub leaders Blue and Brown Guiders are doing excellent community work, among all our young people, and only supported by local adult committees, who plan work programs to raise funds without town government grants to support themselves adequately. This alone, can serve as a shining example to many.

On Sunday, Feb. 23 a church parade is planned to conclude in a fitting manner, Scout, Cub, Guide and Brownie week in our community. Children of all faiths will be invited to take part along with their leaders. The colors will be presented and will be a very good occasion to sow the good seed of graciousness by acknowledging the young people of today who will be the citizens of tomorrow's society.

Piard Golden Wedding

Mr. and Mrs. Marc Piard cut the cake at a reception held in their honor on the occasion of their 50th wedding anniversary, Saturday, Feb. 15.

A couple who spent their honeymoon on a troop transport, Mr. and Mrs. Marc Piard, celebrated their 50th wedding anniversary Saturday, Feb. 15, with a reception in their honor at the Youville Home, where Madame Piard has been in residence for the past two and one half years.

Mr. Piard, born in Northern France, came to Canada in 1911. A mining engineer with a degree from the University of Mons, Belgium, he settled in the Crowsnest Pass.

When the First World War broke out, Mr. Piard went overseas where he served in the French Intelligence.

In 1919 he married Madame Piard in the Paris suburb of Neuilly and they immediately left for Bellevue, Alberta, where Madame Piard was the first war bride to arrive.

The family has lived in Yellowknife where Mr. Piard worked as a gold claims surveyor. They moved to Edmonton in 1948.

Before coming to Canada Mr. Piard worked with Louis Bleriot, the French aviator and inventor, and helped build the plane in which Bleriot became the first to fly the English Channel (July 25, 1909).

An accomplished musician Mr. Piard won a gold medal for cello in the Alberta Music Festival, Edmonton, in 1929. He has won several other medals as well.

Mr. Piard has published several articles on coalmining.

They have two sons, Jean of Edmonton, Andre of Barrhead and a daughter, Laura of Edmonton.

Madame Piard received a visit from the French Consul Marcel Ollivier at the Youville Home, Saturday. Congratulatory messages were received from the Prime Minister, the Hon. Pierre Trudeau and Alberta Premier, Harry Strom.

Drop in centre needed

An interesting and progressive step has been taken by the Mount Zion Lutheran Church. Situated adjacent to Ross Shepherd High School and the Westmount Mall, they have opened their doors to the students every noon during the week. The idea has been to give them someplace to enjoy their lunches and their friends away from the school.

Originally the idea of Pastor Phil Jorgensen, the centre has been open since November under the care of the church's youth worker, Vern Hafso. Aside from looking in to see how things are going, there is really very little to do. The whole thing is very free flowing, with only an occasional planned activity. The students have the responsibility for keeping the basement where they meet clean and for making sure that nobody gets out of hand. Mr. Hafso says their response has been excellent and no problems have ever arisen in either area.

One of the things other churches might take note of is the cost factor. This valuable idea has not cost Mount Zion a cent so far. Even if there had been costs, it is possible that the merchants in the Westmount Mall would have helped to meet them. There have long been complaints that the students, with no place else to go, have proved to be a nuisance by hanging around the stores. The centre has given them someplace to congregate.

Vern Hafso, the 21 year old youth worker at Mount Zion, who runs the centre, is there as part of the Lutheran Church's Youth Ministry program. Originally from Viking, he has just finished a two year course at Canadian Lutheran Bible Institute in Camrose. After serving for a year at Mount Zion, he hopes to take the course in social work offered by NAIT. It is in this field that he intends to establish his career.

On the mall

The Optimist Club will be selling tickets for their Carnival on the Westmount Shoppers Mall, Thursday evening, Feb. 20. Proceeds to the Optimists Girls Band.

The Alberta Track and Field Association will be selling raffle tickets on the Mall Thursday and Friday evenings and all day Saturday, Feb. 22.

PENNIES FOR PAVLOS
Continued from page 1

the Christian Children's Fund, a Greek boy, Pavlos Menas.

It was decided that in place of Valentine parties the school would hold an annual Penny Carnival to help raise funds for its adopted child.

SGSES has sent $120 every year to help house, clothe and educate Pavlos and has received several grateful letters and hand-made Christmas greetings from him.

Pavlos is 15 now and needs Sir George Simpson Elementary for two more years. And Friday, as the pennies rolled freely, the boys and girls were not letting him down!

Two removable dividers, three storage baskets, and a juice can caddy, all Vinyl covered; so you can always find a place for something, and find it again easily when you want it back.
